

# Bodyguards® 4 Clear Vinyl PF GL622

## A vinyl disposable for when you don't want to get your hands dirty

**The Bodyguards® 4 Clear Vinyl PF GL622 from Polyco is powder free vinyl disposable glove offering protection against contamination, dirt and potential irritants in low risk situations.**

The high quality vinyl used to manufacture the GL622 contains none of the proteins that are present in natural rubber, eliminating protein sensitisation. It is also powder free reducing the risk of product contamination. A cost-effective choice when gloves need to be frequently changed, it has a smooth finish and a high tensile strength providing a reliable barrier against contamination or infection. The beaded cuff further enhances strength and prevents liquid roll back. The Bodyguards® 4 Blue Nitrile PF GL895 has an AQL rating of 4.0 and has been tested in accordance with EN1186 making it suitable for food contact.
